- Nothing to report

Correspondence:

- Nothing to report

Miscellaneous and Questions:

- Nothing to report

Calendar of Events:

- School website has a current calendar that is updated

Next Meeting and Adjournment: 1:37 pm

DRAFT

PAC Meeting – March 3, 2021

Principal update;

COVID Exposures to date (as of March 3)

- 2 classes in isolation (one ending Mar 9 and one ending March 12)
- 1 class to self-monitor with an additional 9 individuals asked to self-isolate, ending March 9.
- 1 class asked to self-monitor due to an exposure on Feb. 24

When we get a parent disclosing – procedure is;

- admin calls to get more information from the parent and we fill out the district H&S form
- This form goes to the COVID communication department at the district. This team is in communication with the school hub of FH daily
- If in the individual contact tracing, FH deems the school needs to be issued an exposure, they send the letter to the COVID communication and this then goes out to the parent community.

Why is there a delay for the school communication?

- FH is responsible for contacting the individual who has tested positive, they need to then reach out to that individual twice and allow 24 hours for the positive case to contact them. School and district has to wait until this contact tracing to be completed to figure out if the school community gets an exposure letter.

When a class is put in isolation, what happens?

- Admin contacts the families directly to explain the process and exposure date
- Once calls are made, the letters go out to the individuals impacted and then out to the general school community as notification
- Students will be issued curriculum within 1-2 days of isolation so that they can continue their learning remotely

CSL update....

March 11, 2021 – 2nd term template or FG portfolios updated, please watch for that next week

Spirit week next week;

March 8 - Crazy Hair Day

March 9 - Twin Day

March 10 - Decades Day

March 11 - Dress like your favourite character

March 11th - February/March Celebration assembly @ 10:45am

March 11th - CSL sent home

March 12th - PJ Day

March 29th - School reopens

Thank you for your hard work and diligence in doing the daily health checks with your students, in your compassion and patience when we are asking you to pick up your children and for working through this challenging time along side our staff and community.

We are all doing the best we can in this difficult time and your understanding and support means so much to the teachers, the staff, to Nicole and Julie in the office and to Dajana and I.
