President / Vice President Report:

It has been wonderful working on the PAC for so many years, first starting out as fundraiser and then moving into President position. At this time, I am going to step down from President, but I have put my hand up to be Vice President to stay on to help out.

On our radar for this coming year, the swings need to be replaced.

Our last fundraiser is on the go right now - Neufeld's

I would like to thank everyone for their continuous support and dedication.

1) June is PRIDE month and we are supporting inclusion and diversity throughout the month. We will be displaying a school-wide art piece in our main hall, having a spirit day on June 12th "Dress like a rainbow" and teachers are encouraged to include lessons and discussions in their classrooms. Surrey School District supports the inclusion of all families and people. As a school community, we work hard to celebrate and acknowledge everyone and provide an inclusive education for all. As educators, it is important for us to teach children about the diverse society we live in and to treat people with respect regardless of our differences.

2) Parent Appreciation/Games Day – come by the tent and we look forward to celebrating our great parent community

3) Thank you for the Staff Appreciation last week, all the yummy treats were greatly appreciated by all our staff
